SESSION 1: INTRODUCTION TO THE LIBRARY AND LIBRARY SERVICES

Libraries are so much more than checking out books! Learn about the various different library resources available to you as a NSU student and how you can take advantage of these services to make your research life easier!

The Library You Never Knew You Had!

What Can You Do Here?

- **Gain Access to Anything** – Books & eBooks, Articles, A/V Items, Electronic Theses and Dissertations, Datasets, etc. from not only here in our extensive catalog and databases, but from all over the world through our Interlibrary Loan program and IAMSLIC memberships.
- **Ask Questions** – Jaime and Keri are your librarians and they are here to answer any and every question you might have in person, on the phone, and by email.
- **Get Help with Binding** – Whether it’s a portfolio, capstone, thesis, or a dissertation – we can walk you through every step of the process.
- **Use the Computers** – We have more software than any other computer on the Oceanographic Center’s campus – CLC Sequence Viewer, ENVI, Google Earth, SPSS, NVU, R, Visual HEA, JMP, MATLAB, ArcGIS, ACDLabs, SODBV Viewer, SAS, and Geneious.
- **Research Support and One-on-One Research Instruction** – Individualized help with EndNote, Class Projects, Research, and more.
- **Eat Candy** – The candy jar is yours to pilfer.
- **Keep Up-to-Date** – We have Facebook and Twitter to keep you informed about defenses, new publications, special presentations and lectures, featured resources, and informational sessions happening at the OC.
- **Study** – We keep late hours during exam week!
