ONLINE ACCESS INSTRUCTIONS

The Panza Maurer Law Library subscribes to West Academic’s Study Aids Subscription, which provides easy online access to hundreds of supplemental study resources that help you succeed in law school. The subscription allows you access to the Hornbook series, the Nutshell series, Flash Cards, books on 1L/2L/3L subjects, academic success, exam prep, career guides, and many more.

1. There are two easy ways to access West Academic’s Study Aids Subscription. You can access this database through NovaCat or the Law Library Database Guide.

2. To access through NovaCat, type “West Study Aids” in the search box, then click “Search”.

3. At the Search Results screen, click on “West Study Aids”.

4. At the Library Login screen, type in your Shark ID user name e.g. ab1234 without mynsu.nova.edu and password, then click “Log in”.

5. After logging in, you will see a welcome screen.

6. From there, you can browse the wide variety of subjects and law book series available to you or you can search for author, title, subject, or case names.

7. If you want to highlight, take notes, print, or put books in “My Favorites,” you will need to create an account first. Click on **Create an Account** at the upper right-hand corner and follow the prompts. Use your NSU email address as your username.

8. Once you have created an account, your notes and highlighting will be available every time you sign in to your account.
