There is an “i” in Our Team iPad

Majid Anwar, Amanda Chiplock, Kristin Kroger, Michael Meisenheimer, Courtney Mlinar, Todd Puccio, Kaye Robertson

Nova Southeastern University – Health Professions Division (HPD) Library

HPD iPad Initiative 2010-2012

• Realize potential for iPads in medical education & an opportunity to redefine roles of medical librarians.

• Join HPD librarians in creating interdisciplinary group to explore iPads in classrooms & clinics.

• Alter mindset to fully support iPads & other Apple products through involvement in iPad Initiative.
